**CRUDEN HALL** was opened in March 2011 and is now considered a prestigious function venue in Inverclyde. The hall has undergone a major refurbishment, creating a second mezzanine level.

A local artist was employed to oversee the decoration of the hall and create some magnificent pieces of artwork. We have built an exceptional reputation within the local community for the high standard of service we provide to all our customers.

Our staff are friendly, polite and always on hand to assist you. We pride ourselves on providing the highest standard of service and care at this difficult time.

Cruden Hall can cater for up to 180 guests. Our other venues include The Thistle Suite, which caters for up to 200 guests, and The Clyde Suite which caters for up to 150 guests. All can provide catering packages to suit each individual family's requirements.

Our venues provide a peaceful and private setting for the family.

Both our Cruden Hall and Clyde Suite are suitable for disabled access if required.
